

Topics Covered

Appendix

This comprehensive list of topics covered in *Where the Brook and River Meet* is categorized by subject area only. Under each subject area is an alphabetical listing of topics covered in the activities. The chapter in *Where the Brook and River Meet* corresponds directly to the chapter in *Anne of Green Gables*.

You will find your student learns progressively. That is, she is initially introduced to a topic in a general way, and later acquires more in-depth details and understanding of the subject. Still later, she may develop “mastery,” a working understanding of a subject and the ability to use the knowledge and explain it to others. This progression in learning (introduction, development, and mastery) is essential for the student to assimilate and build her store of knowledge. Some of the topics in *Where the Brook and River Meet* you may only want to introduce to the student. Other topics may be studied further to develop and master. There are Unit Quizzes and a Final Exam, found in the *Quiz and Test Appendix*, which you may wish to use to measure retention of the material.

Bible

Alcoholic beverages	Unit 4, Ch. 16, # 9, 13
Ambition	Unit 8, Ch. 34, # 8
Apostles' Creed	Unit 4, Ch. 16, # 18
